

Better Hearing

On Thursday, January 26th from 1 to 2 pm, audiologist Dr. Lawrence Cardano, Au.D will be giving a presentation on “Why Hearing Aids Don’t Work – And How You Can Enjoy Better Hearing.”

“Dr. Larry” is the Director of the Hearing Center of Long Island and author of the book, “Better Hearing With or Without Hearing Aids.” He has devoted over 25 years to finding more effective and practical ways for those with hearing loss to overcome their hearing difficulties and improve their quality of life. Dr. Larry is also a singer/guitarist and will be performing at the seminar.

JOIN US AND FIND OUT HOW TO:

- Improve your listening ability with or without hearing aids
- Avoid the most common problems with hearing aids
- Find out if you should expect to do well with hearing aids or not
- Know what type of hearing aid is really best for you
- Tell if you are getting the best possible results from hearing aids

Join us in a sing-a-long to Dr. Larry's guitar accompaniment.
