

A Message From the Director

I just want to wish everyone a blessed Passover and Easter Season. Likewise, I wish to express my sincerest thanks to all the amazing folks who have been so kind, generous and welcoming to me in my first five months at CALE. It's because of YOU that CALE prospers and I/we gain excitement, momentum and enthusiasm for all that we can be together at CALE. Because each and everyone of you is so WONDERFUL and key to the true SUCCESS of CALE! As we glide into our 70th year, our HEARTS still beat in unison with goodwill and good times for all.... We hope you will all join us at our May Gala (5/15/19) to CELEBRATE with us and continue to grow with us. Thank you!

With warmest gratitude, **Lee Gerardi**

We would welcome front-desk volunteers. Please call and inquire.
